Subject: TGFOA Sponsorship Opportunity

Dear Valued Partner:

Your past support has been invaluable in helping TGFOA accomplish its mission and we are extremely grateful for your support. TGFOA provides continuing professional education to over 325 officials from state and local governments in Tennessee and your sponsorships have helped provide training opportunities beneficial to finance officials throughout the state.

In response to limitations associated with uncertainties surrounding restrictions associated with COVID-19, the Tennessee Government Finance Officers Association (TGFOA) is co-hosting an **online** training event this fall with the Comptroller's Division of Local Government Audit (<https://tngfoa.org/events/>). Additionally, we are currently considering smaller regional events for our annual Spring Institute.

Several sponsors have reached out to TGFOA about sponsorship for this year. Because of the reduced costs with the different conference formats, instead of the normal conference sponsorships, we are providing an opportunity for our sponsors to fund our scholarship program.

[Attached](#) is an explanation of the sponsorship levels and benefits. Simply register your organization here: <http://tngfoa.wildapricot.org/event-3960514>. All payments will be processed online, and **payments are due in full no later than September 30, 2020.**

Please don't hesitate to contact Annette Miller, with any questions you may have at: amiller@oakridgeamc.com.

We sincerely thank you for your continued support.

Kind regards,

TN Government Finance Officers Association
